

ANDERS MOUNTAIN SUITES

Celebrating a milestone? These incredible experiences and destinations will see you make lifelong memories

15 JUN 2023

With travel off the cards for the last few years, there seems no better way to celebrate a milestone than to escape to a faraway land with your nearest and dearest in tow. Whether it's a journey of utter indulgence, a cultural expedition or a mountainous escape, the destinations that we have rounded up here promise the kinds of unparalleled experiences that will see you make lifelong memories.

Anders Mountain Suites

FOR LOVERS OF THE GREAT OUTDOORS

In the heart of the South Tyrol mountains in the Italian Dolomites, Anders Mountain Suites is a remarkable example of architecture and design in perfect harmony with nature. With milestones in mind, this is more than just a place to stay; it's an immersive experience. Adventure-loving guests can enjoy a broad range of activities, from hiking to mountain biking and skiing, to rejuvenating wellness facilities, and sumptuous treatments in their suites. It exemplifies the kind of destination that can, and should, act as a home base. A divine execution of a mountain retreat where, after long days exploring, there is time for rest, relaxation and taking stock in good company.

The retreat's opulent design is a stunning contrast to the traditional hotel architecture of the region, with its solid cement roof and natural brushed spruce wood construction.

And the suites themselves are perfectly pared-back luxury, at the end of an adventure-packed day offering guests cosy and elegant living spaces that offer breathtaking views of the Dolomites through floor-to-ceiling windows. The hotel's guest living room, restaurant and bar offer divine breakfasts and dinners made from locally sourced ingredients, providing an intimate and unique dining experience worthy of a celebration. Blending urban architecture with natural beauty, this destination finds luxury in simplicity.

IN GOOD COMPANY

Architect Martin Gruber has masterfully transformed the former Hotel Aurora into a design retreat with seven two-storey suites, offering a unique experience for guests seeking refuge from the hustle and bustle of modern life. Anders Mountain Suites can be booked for intimate and romantic getaways, but for a truly memorable affair, exclusive use of the property is encouraged.
